

Professor Hafiz T.A. Khan

BSc (Hons), MSc, PhD (Edinburgh Napier), Post-Doctoral (Oxon), FHEA, FRSA, FRSPH, CStat (UK)

02 April 2022

PERSONAL:

Name: Hafiz Tareq Abdullah KHAN

Nationality: British

Country of Residence: England, United Kingdom

Work Address: Professor of Public Health & Statistics
College of Nursing, Midwifery & Healthcare
University of West London, Paragon House, Boston Manor Road,
Brentford TW8 9GB, United Kingdom

Other Address: Associate Professorial Fellow in Biostatistics, The Oxford Institute of
Population Ageing, The University of Oxford, 66 Banbury Road, Oxford OX2
6PR, United Kingdom.

Home Address: 1 Wychwood Close, Earley, Reading RG6 5RB, Berkshire, United Kingdom

Telephone: (Mobile) +44 (0) 7707618881
(Home Reading) +44 (0) 1189153553

EMPLOYMENT HISTORY:

Full-time Positions

07/2020- to date: Professor of Public Health & Statistics, College of Nursing, Midwifery
and Healthcare, University of West, London, UK. As of 1st July 2020, I

have joined Public Health group in College of Nursing, Midwifery and Healthcare. Main responsibilities are teaching and research in addition to administrative duties such as research lead of public health group, doctoral admission for global health, and University ethics committee member.

- 06/2017-06/2020: Professor of Research Methods & Statistics, The Graduate School, University of West, London, UK. Currently my main duties include day to day activities in the Graduate School such as admission into PhD programme, PhD Supervision, monitoring PhD progress of students, Chairing PhD examinations, Teaching Statistics and Public Health, Coordinator of Statistics & Academic Lead of Extended Masters Programme, Consultancy Services, and Programme and Short Course Development, Contribute in REF 2021, Quality Lead for the Graduate School from 1st of March 2020.
- 06/2016 – 05/2017: Reader in Biostatistics, School of Health Sciences, Faculty of Health, Education and Life Sciences, Birmingham City University, UK. Co-Chair, Faculty Research Ethics Committee & Faculty steering committee for student recruitment and marketing.
- 01/2009 – 05/2016: Senior Lecturer in Applied Statistics, Middlesex University Business School, London, UK. Programme Leader for BSc Sociology with Social Policy programme. Lead statistician for the Business School.
- 04/2006 - 12/2008: Research Fellow in Statistical Demography (*Assistant Professorship in terms of academic standing*), The Oxford Institute of Population Ageing, The University of Oxford, UK
- 01/2005 - 08/2007: Full Professor of Statistics, Department of Statistics, University of Dhaka, Bangladesh. Decided to take early retirement to move in the UK.
- 09/2001 - 03/2002: Visiting research scholar in Mathematical Demography, Department of Mathematics and Statistics, Edinburgh Napier University, UK
- 11/2000 - 12/2004: Associate Professor in Statistics, Department of Statistics, University of Dhaka, Bangladesh
- 01/2001 - 09/2001: Research Fellow Population Studies, Asian MetaCentre for Population and Sustainable Development Analysis, The National University of Singapore
- 06/2000 - 12/2000: Research Scholar in Demography, International Institute for Applied Systems Analysis (IIASA), Austria
- 11/1996 - 05/2000: Assistant Professor in Statistics, Department of Statistics, University of Dhaka, Bangladesh

- 01/1993 - 10/1996: PhD Student in Applied Statistics, Edinburgh Napier University in collaboration with University of Dundee, Scotland, UK
- 03/1991 - 12/1992: Lecturer in Statistics, Department of Statistics, University of Dhaka, Bangladesh

EDUCATION:

- Commonwealth Post-doctoral Fellow in Applied Statistics, The Oxford Institute of Population Ageing, The University of Oxford, UK (Funded by the Commonwealth Scholarship Commission in the UK), 2005
- PhD in Applied Statistics, Awarded, Edinburgh Napier University in collaboration with the University of Dundee, Scotland, UK (Funded by the Scottish Grant), 1996
- MSc in Statistics, First Class, University of Chittagong, Bangladesh, 1987
- BSc (Honours) in Statistics with Mathematics, First Class Honours, University of Chittagong, Bangladesh, 1986
- Higher Secondary Certificate examination (equivalent to A level), Science Group (First Division), Comilla Cadet College, Bangladesh, 1983
- Secondary School Certificate examination (equivalent to O level), Science Group (First Division), Chittagong University School, Bangladesh, 1981

THESES:

- PhD: “The Determinants of Urban and Rural Fertility in Bangladesh”, Edinburgh Napier University, in collaboration with the University of Dundee, Scotland, UK, 1996. (*Professor Robert Raeside, Professor of Applied Statistics, Edinburgh Napier University, UK, Professor John Adams, Professor of Economics, Edinburgh Napier University, UK*). External Examiners: Professor John Hobcraft, Professor of Demography, London School of Economics, University of London, UK and Professor Allan M. Findlay, Professor of Human Geography, University of St. Andrews, UK)
- MSc: “Effects of Selected Socio-Economic and Demographic Factors on Fertility”, University of Chittagong, Bangladesh, 1990 (*Supervisor: Professor S.M. Shafiqul Islam, Professor of Social Statistics, University of Chittagong, Bangladesh*)

PROFESSIONAL AFFILIATIONS:

- Associate Professorial Fellow, The Oxford Institute of Population Ageing, University of Oxford, UK (January 2009 - present)
- Academic Adviser, The Commonwealth Scholarship Commission in the UK, www.dfid.gov.uk/cscuk (December 2016 - November 2023)

- Regional Assessor, Chevening Scholarship, United Kingdom, www.dfid.gov.uk (October 2021-)
- International Adviser, Young Power in Social Action (YPSA) NGO Bangladesh (January 2016 - present) www.ypsa.org
- Special Advisor to Board of Trustees, Age UK Oxfordshire (AUKO), UK (May 2017 – 31 December 2021), <http://www.ageuk.org.uk/oxfordshire/>
- Visiting Professor, Department of Gerontology, Faculty of Health Sciences, Akdeniz University, Campus, 07058, Antalya, Turkey (6 January 2021 - 2026)
- Visiting Professor, HuaZhong Agricultural University, Wuhan, China (25 October 2019 -)
- Visiting Professor, Department of Statistics, Assam University, India (6 September, 2021-)
- International Advisor, Sultan Qaboos University Medical Journal, Oman (2015 - present)
- International Advisor, Journal Socio-Economic Empowerment, Dr. Ambedkar International Centre, Ministry of Social Justice and Empowerment, Government of India (2020-present)
- Founding Chair, Multi-Community Research Initiative, UK (March 2008 - present)
- Research team, Centre for Research into the Older Workforce, UK (September 2012 - present)
- Elected Public Governor, Oxford Health NHS Foundation Trust (July 2014 – June 2017)
- International Adviser, Alzheimer Society of Bangladesh (January 8, 2018 - present)

ACADEMIC AWARDS, FELLOWSHIPS & HONOURS:

Professional Recognition:

- Chartered Statistician (CStat) of the Royal Statistical Society, Membership No. 135215, December 6, 2017
- Fellow of the Royal Society for Public Health (FRSPH), Membership No. 120091, August 6, 2014
- Fellow of the Royal Society of Arts (FRSA), UK, (Membership No. 8010683), Feb 07, 2014
- Fellow of the Higher Education Academy (FHEA), UK, (Membership No. 47488), Feb 23, 2012
- Qualified External Examiner, Course offered by the Higher Education Academy, AdvanceHE, UK, April 2018
- BME Community Champions, MKOB & Oxfordshire County Council, UK, 2007

- Winner of ARQOL Best Article 2014 Award, doi: 10.1007/s11482-013-9278-y

RAND Scholarship 2007:

- For attending RAND Summer Institute in Ageing, 11-14 July, 2007, Santa Monica, USA

The Commonwealth Academic Fellowship (2005-2006):

- Oxford Institute of Population Ageing, Department of Sociology, University of Oxford, UK

The Wellcome Trust Post-Doctoral Fellowship (2000) at Population Centre, The International Institute for Applied Systems Analysis (IIASA), Austria***The Wellcome Trust Fellowship (2001)*** at Asian MetaCentre, The National University of Singapore (NUS), Singapore***PhD Scholarship*** Scottish Doctoral Grant (1993-1996):

- Edinburgh Napier University, Scotland, UK

University Grants Commission Scholar – The Higher Education Authority in Bangladesh (1986):

- For obtaining highest marks among Science Faculty Students, University of Chittagong, Bangladesh

The Research Excellence Framework (REF) 2014:

- Included in REF 2014 for Unit of Assessment UoA22 (Social Work & Social Policy), Research group: Social Justice, Diversity and Migration, Middlesex University, London, UK (Census period: 2008-2014)

The Research Excellence Framework (REF) 2021:

- Submitted my research outputs for Unit of Assessment UoA20 (Social Work & Social Policy), Research group: Ageing, Demography and Public Health, University of West London, UK (Census period: 2015-July 2020)

RESEARCH GRANTS/PROJECTS:

- Infant and child malnutrition in Bangladesh, 2019 Commonwealth Scholarship Commission Grant, £13000.
- Sitakunda Ageing project on “Lifestyle, health & wellbeing of older adults in Southern part of Bangladesh”.

- "Age friendly space for elderly care in Ukhiya, Cox's Bazar, Chittagong, Bangladesh", Rohingya Humanitarian project.
- "Consumer (Non-)Complaint Behaviour - An Empirical Analysis of Elderly Consumers in Germany" with Professor Dr. Norbert Meiners, Professor of Business Administration & Marketing at the PHWT University in Vechta, Germany 2019-2020.
- Healthcare Package for Improving Quality of Care for the Ageing Population in Nigeria (HEPIQ-C), with Dr. Saidu Ahmed, Federal Ministry of Health, Nigeria, since 20 May 2017.
- "Lifestyle choice, health and well-being of elderly in Brazil" with Professor Carla da Silva Santana, Department of Neuroscience and Behavioral Science, Ribeirão Preto Medical School, University of Sao Paulo, Brazil, £30,000.
- Sasakawa research grant award (£4000) from the Sasakawa Foundation, London to conduct a study on Dynamics of Japan's ageing prison populations (Grant Reference No: 4922), June 2016. Dr. Hafiz T.A. Khan (PI). <http://www.ageing.ox.ac.uk/news/2016-Sasakawa-project-NEWS>.
- Newton Research Grant: £12,000. *Challenging for the ageing process of the Brazilian population: discussing about research with families and future economic impacts*. Professor Carla da Silva (PI), Dr. Hafiz T.A. Khan (Co-PI), February 2016, <http://www.fapesp.br/10034>, FAPESP grant number: 2015/50480-4.
- Middlesex University Small Research Grant: £3,450. *Going solo: Exploring the intimate and broader relationships of older single women without children and the implications for their support needs in later life*. Dr. Trish Hafford-Letchfield (PI), Dr. Nicky Lambert (Co-PI), Dr. Hafiz T.A. Khan (Co-PI), January-December 2014.
- European Commission / British Council: ERASMUS Staff Mobility Grant (£1,000). A week-long visit at Institute of Population Studies, Hacettepe University, Ankara, Turkey 17-21 February 2014. The main of the visit has been to establish teaching and research collaborations between two institutes.
- ESRC Project (Grant: £100,000). *Applying the Capabilities Approach to Career Development to Work to Retirement Transitions*. Dr. Matt Flynn (PI), Dr. Uracha Chatrakul Na Ahudhya (Co-PI), Dr. Hafiz T.A. Khan (Co-PI), 2012-2014.
- ILO project (Grant: \$10,000). *Review paper on maternity protection in SMEs and productivity Global Product "Improving Working Conditions and Safety, Skills and Productivity*, Professor Suzan Lewis (PI), Dr. Hafiz T.A. Khan (Research team member), 2013.
- Research grant award (£2,000) from the Great Britain Sasakawa Foundation, London to establish research collaboration Between Middlesex and Tokyo Universities on the issue of ageing populations between the UK and Japan (Grant Reference No: 3568), May 2009. Dr. Hafiz Khan (PI) and Dr. Ikuko Sugawara (Co-PI).

- Small research grant award (£1,500) from the Daiwa Anglo-Japanese Foundation, London to conduct comparative ageing situations between Japan and the UK (Grant Reference No: 7166/7614), December 2008. Dr. Hafiz Khan (PI) and Dr. Ikuko Sugawara (Co-PI).
- Essential Health Research, Bangladesh (ENHR,B) and BRAC Research Project (Grant: 200,000 TK) “*A Study on the obstetric related gynecological condition among post-menopausal women in Bangladesh*” September 1998. Dr. Afroza Begum (PI) and Dr. Hafiz T.A. Khan (Co-PI).

TEACHING INTERESTS:

My broad teaching interests lie in the following areas:

- Applied Statistics
- Demography
- Public Health
- Epidemiology
- Ageing and Society
- Data Analysis and Model Building
- Quantitative Methods
- Research Methods
- Health Economics
- Global Health
- Health Policy

ROLE AT UNIVERSITY OF WEST LONDON (UWL), UK:

- Academic Lead, Extended Masters Programme since September 2018.
- Member of University Research Ethics Committee (UREC)
- Statistics Adviser
- Statistics and Methodology expert at the Graduate School
- Doctoral Training Programme
- PhD Supervisions
- Monitoring MPhil/PhD progress and writing feedbacks
- Mentoring Junior colleagues
- Giving guest lecturer to various programmes such as MSc Dementia Care
- Teaching Statistics and Quantitative methods at Level 7 Masters Programmes such as Public health, Dementia Care, Bioinformatics, Extended Masters, and Advanced Practice.

ROLE AT BIRMINGHAM CITY UNIVERSITY, UK:

- Deputy Chair, Faculty Academic Ethics Committee, Faculty of Health, Education and Life Sciences
- Statistics Advisor for Faculty of Health, Education and Life Sciences
- Quantitative expert, Doctoral Training Programme
- PhD Supervisions

- International Student Recruitment, Partnership and Development (work closely with Faculty Associate Dean)
- Establish a dual-award programme in public health between Daffodil International University (DIU) in Bangladesh and Birmingham City University (BCU)
- Guest lecturer for various programmes in Health, Education and Life Sciences
- Coordinator, Epidemiology workshop for master's in public health programme
- Major student recruitment from Nigeria, Middle East and Bangladesh.

CURRENT ROLE AS EXTERNAL EXAMINER IN THE UK:

- External examiner at the University of York for the programmes such as MSc in Applied Health Research / Master of Public Health / PG Cert in Health Research & Statistics, with specific responsibility for shared modules focusing on health research methodologies as follows (September 2017- October 2021):
 - HEA00088M Dissertation (Applied Health Research);
 - HEA00019M Health Economics;
 - HEA00021M Health Policy - Principles, Practice & the Evidence Base;
 - HEA00092M Health Research in Practice;
 - HEA00090M Health Research Methods;
 - HEA00033M Qualitative Health Research;
 - HEA00034M Randomised Controlled Trials;
 - HEA00036M Systematic Reviews.
- External examiner at Oxford Brookes University for both Undergraduate and Postgraduate levels in Statistics and Data Analytics (January 2018 – 31 January 2022).
 - STAT4002: Basic Data Analysis.
 - STAT4005: Statistics and Probability
 - STAT5007: Applied Data Analysis
 - DALT7002 - Data Science Foundations
 - DALT7004 - Statistical Programming
 - DALT7005 - Introduction to Survey Research
 - DALT7006 - Regression Modelling
 - DALT7011 – Introduction to Machine Learning
 - DALT7013 - Introduction to Distributed Systems
 - TECH7001 - Research, Scholarship and Professional Skills
 - TE62: MSc Data Analytics for Government.
 - TE63: MSc Data Analytics
- The role of subject external examiner for the MRes/MClinRes programme of School of Health Sciences at the University of Manchester (1 October 2021- 31 December 2025).
 - NURS60019 Statistics
 - NURS60016 Quantitative design and analysis
 - NURS60018 Research design
 - NURS60013 MRes Dissertation

EXTERNAL EXAMINER ROLE OUTSIDE THE UK:

- External examiner for Master of Public Health, College of Medicine, University of Malawi (30 July 2018 – 30 June 2021)
- Appointed external examiner for MSc Public Health, University of Limerik, Ireland, December 2020 - (Academic Years 2020/2021 to 2023/2024)
 - BM6031: Public Health and Health Systems
 - BM6041: Public Health Interventions
 - BM6042: Monitoring and Evaluation in Public Health
 - BM6051: Public Health Research and Data Analysis
 - BM6052: Global Health and Sustainable Development
 - BM6062: Public Health Practicum
 - BM6043: Public Health Research Project
- Appointed external examiner for KIT MPH and MIH Programmes, Amsterdam The Netherlands, July 2021 –
- External examiner on staff promotion board, Department of Development Studies, University of Malaya, Malaysia (from 2021-).

PROGRAMME LEADERSHIP ROLE AT MIDDLESEX UNIVERSITY, LONDON:

- 2015-16 BA in Sociology with Social Policy
- Student recruitment and International partnership development.

MODULE LEADERSHIP ROLE FOR TEACHING AT MIDDLESEX UNIVERSITY, LONDON:

- Mini Module on Quantitative Methods: CRM1400, SOC2500, CRM4700.
- Health Economics PRS4100 (2013-15)
- Business Statistics STX1125 (2009-11)
- Advanced Business Statistics STX3315 (2009-12)
- Quantitative Methods for Business Applications STX135(2011-12)
- Data Analysis STX4300 (2011-12)
- Research Design and Methodology STX4700 (2012-13)
- Mathematical Thinking IFP0301(2011-13)

COURSE CURRICULUM DEVELOPMENT, MIDDLESEX UNIVERSITY, UK (2014-15):

- Social Policy and Contemporary Issues
- Demography and Ageing Society
- Quantitative Methods in Social Sciences

- Social Statistics and Data Analysis
- Health Economics

PROGRAMME DEVELOPMENT (2001), DAFFODIL INTERNATIONAL UNIVERSITY, BANGLADESH:

- Master of Public Health (MPH) Programme
- MPH programme co-ordinator
- International marketing and programme development

DOCTORAL TRAINING PROGRAMME, MIDDLESEX UNIVERSITY, UK:

- Research Methods workshops (2013-14)
- Research Methods workshops (2014-15)

GUEST LECTURER AT KING'S COLLEGE LONDON, UNIVERSITY OF LONDON, UK:

- Ageing in Global Context Module (2014)

MODULE LEADERSHIP ROLE FOR TEACHING AT UNIVERSITY OF DHAKA, BANGLADESH:

- Elementary Statistics (1991-92)
- Applied Statistics (1991-92)
- Linear Algebra (1996-2000)
- Quantitative Methods (1991-92, 2004-05)
- Demography (1996-05)
- Research Methodology (1996-05)
- Survey Sampling (2000-05)
- Introduction to Probability (1996-98)
- Probability Distribution (1998-00)
- Sampling Distribution (1991-92)
- Data Analysis using Statistical Software (2000-05)

RESEARCH INTERESTS:

Interests lie in the following areas of health, social, and business statistics:

- Substantive: population ageing, fertility, mortality, migration, global health, consumer market, savings and investments, retirement, social security, environmental change.
- Methodological interest: Quantitative methods
- Regional: Asia as a whole with particular interest in South Asia

- Statistical modelling of demographic phenomena mainly in medical demography such as reproductive health
- Epidemiological studies such as chronic disease, preventive and social medicine, environmental issues, public health, and health communications

RESEARCH PUBLICATIONS:

Articles in Refereed Journals:

- 2022 Spousal Care intensity, Socioeconomic Status and Depression among the Older Caregivers in China: A study on 2011-2018 CHARLS Panel Data. (Jun Ma, Hongyan Yang, Wenxiu Hu, and Hafiz T.A. Khan), *Healthcare* 10(2), 239; <https://doi.org/10.3390/healthcare10020239>

- 2020 An assessment on COVID-19 preparedness of Bangladesh. Submitted to *Journal of Evaluation in Clinical Practice* (Raaj K. Biswas, Samin Huq, Awan Afia and Hafiz Khan), and Accepted on 31 July, published online first 21 August, <http://dx.doi.org/10.1111/jep.13467>
- 2020 Socio-demographic risk factors of severe child malnutrition for children aged under five involving various birth cohorts in Bangladesh, *Journal of Biosocial Science* (Rocky Khan Chowdhury, Hafiz T.A. Khan, Nazrul Islam Mondal and Russell Kabir), published on 13 August, doi.org/10.1017/S0021932020000425

The Research Excellence Framework (REF 2021) output duration 2015- July 2020

- 2020 The health and well-being of older women living alone in the UK: A scoping review. *Journal of Women and Ageing* (Cat Forward, Hafiz Khan, Pauline Fox). Published on 29 July, doi: 10.1080/08952841.2020.1788365
- 2020 Time-to-Death approach in revealing Chronicity and Severity of COVID-19 across the World (Vivek Verma, Ramesh K. Vishwakarma, Anita Verma, Dilip C. Nath, Hafiz T. A. Khan). Published on 12 May, <https://doi.org/10.1371/journal.pone.0233074>
- 2020 Intimate partner violence and women autonomy: Findings from the Zimbabwe Demographic Health Survey 2015, *Culture, Health & Sexuality* (Bengesai, Annah V. & Hafiz T.A. Khan), Accepted on 13 March, online: 14 April. doi:10.1080/13691058.2020.1743880

- 2020 Prevalence and Determinants of Caesarean Section in South and South-East Asian Women. *PloS One*, (Vivek Verma, Ramesh K Vishwakarma; Dilip C. Nath; Hafiz T.A. Khan; Ram Prakash; Omer Abid), doi.org/10.1371/journal.pone.0229906
- 2020 Barriers to access and ways to improve dementia services for a minority ethnic group in England. *Journal of Evaluation in Clinical Practice* (Muhammad Hossain & Hafiz T.A. Khan), Doi: 10.1111/jep.13361
- 2020 Smoking behaviour among Tuberculosis relapse cases attended at tertiary level hospitals in Dhaka city of Bangladesh, *International Medical Journal* 25 (1): 69-77. (Rehma Sarwat Salam, Imdadul Haque, Alauddin ABM Chowdhury, Salamat Khandker, Sk Akhtar Ahmad Hafiz T.A. Khan)
- 2019 The Nexus between Obesity, Health and Social Care Needs for Elderly: A Literature Review" *Illness, Crisis & Loss* (Gargi Ghosh, Hafiz Khan and Jane Thomas). <https://doi.org/10.1177/1054137319882156>
- 2019 Exploring the determinants of global life expectancy in an ecological perspective, *Turkish Journal of Public Health* 17(3):314-325. (Nazrul Islam Mondal, Abu Naser Muhammad Abdul Baki, Nazrul Hoque, Hafiz T.A. Khan. Nuruzzaman Khan). Open access doi:10.20518/tjph.452721
- 2019 Self-assessed health status among ethnic elderly of tea garden workers in Bangladesh, *Ageing International* 44: 385-398. (Kamrul Hossain, K.F. Ferdushi, Hafiz Khan). <https://doi.org/10.1007/s12126-019-09354-w>
- 2019 Prevailing Familial, Social and Cultural Obstacles in Keeping Tobacco-free Homes in Urban Areas of Bangladesh: A Mixed-methods Study, *Plos One* (Imdadul Haque, Alauddin Chowdhury, Sheikh Hasan, Hafiz Khan, Dastagir Harun). doi.org/10.1371/journal.pone.0220777
- 2019 Reality and myth about legal healthcare support and quality of life in the Brazilian elderly (Dionéia Motta Monte-Serrat; Hafiz Khan; Russell Kabir; Daniela Witter Soares, Master; Sílvia Sidnéia Silva). *Interface - Comunicação, Saúde, Educação*, accepted on 2nd July. <https://doi.org/10.1590/interface.190146>
- 2019 A cross-sectional study to explore intimate partner violence and barriers to empowerment of women in Armenia. *BioMed Research International* (Russell Kabir & Hafiz Khan), open access. doi.org/10.1155/2019/6939684
- 2019 The Impact of Supplementary Education Programme on Students' Performance: Empirical Evidence from ASA Bangladesh, *The European Journal of Development Research* (Twyeafur Rahman, Loe Franssen & Hafiz T.A. Khan), doi.org/10.1057/s41287-019-00231-5
- 2019 Causes of Urban Migration in Bangladesh: Evidence from the Urban Health Survey. Accepted in *Population Research and Policy Review*, on 23rd April (H-index = 40) (Raaj Kishore Biswas, Enamul Kabir and Hafiz T.A. Khan) <https://link.springer.com/article/10.1007%2Fs11113-019-09532-3>

- 2019 Community health impact assessment in Ghana: Contemporary concepts and practical methods. *INQUIRY: The Journal of Health Care Organization, Provision, and Financing* 56:1-10 (Dr Da Costa Aboagye, Kwame Akuffo, Hafiz T.A. Khan), <https://doi.org/10.1177%2F0046958019845292>, (H-index = 23)
- 2019 Dementia in the family of Bangladeshi diaspora living in the UK: The Myths and the Stigma, *Journal of Evaluation in Clinical Practice* (Muhammad Zakir Hossain & Hafiz Khan) <https://doi.org/10.1111/jep.13117> (H-index = 61)
- 2019 Prevalence of overweight and obesity among adolescents in Bangladesh: Do food habits and physical activities have gender differential effect? *Journal of Biosocial Science* (Md. Mostaufed Ali Khan, Masud Karim, Ahmed Zohirul Islam, Md. Rafiqul Islam, Hafiz T.A. Khan, and Md. Ibrahim Khalilullah) <https://doi.org/10.1017/S0021932019000142> (H-index = 46)
- 2019 Dementia in the family of Bangladeshi diaspora living in the UK: The Myths and the Stigma, *Journal of Evaluation in Clinical Practice* (Muhammad Zakir Hossain & Hafiz Khan) <https://doi.org/10.1111/jep.13117> (H-index = 61)
- 2019 Development of intuition in the new currency, the Euro: The Slovak experience, *Literacy and Numeracy Studies*, (Jana Kubascikova, Jeff Evans and Hafiz T.A. Khan) <https://doi.org/10.5130/lms.v26i1.6301> (H-index = 0)
- 2018 Prevalence and Predictors of Tobacco Smoking Among University Students in Sylhet Division, Bangladesh, *International Health* (Muhammad Shaikh Hassan, Md. Kamrul Hossain, Hafiz T.A. Khan) <https://doi.org/10.1093/inthealth/ihy091> (H-index = 20)
- 2018 Population Ageing in a Globalised World: Risks and Dilemmas? *Journal of Evaluation in Clinical Practice* (Hafiz T.A. Khan) <https://doi.org/10.1111/jep.13071> (H-index = 61)
- 2018 Socioeconomic transition and its influence on Body Mass Index (BMI) pattern in Bangladesh, *Journal of Evaluation in Clinical Practice* (Raaj Kishore Biswas, Enamul Kabir, and Hafiz T.A. Khan), First published: 04 September 2018, <https://doi.org/10.1111/jep.13028> (H-index = 61)
- 2018 The relationship between conversion factors and health: Empirical evidence from ready-made garment workers in Bangladesh, *Journal of Asian & African Studies* (Shamima Nasrin, Rajah Rasiah, Angathevar Baskaran, Hafiz T.A. Khan), First Published: September 7, <https://doi.org/10.1177/0021909618796662> (H-index = 21)
- 2018 Correlates of Healthy Life Expectancy in Low- and Lower-Middle-Income Countries, *BMC Public Health*, (Md. Shariful Islam; Md Nazrul Islam Mondal; Md. Ismail Tareque; Md. Aminur Rahman; Md. Nazrul Hoque; Md. Munsur Ahmed; and Hafiz T.A. Khan), open access, <https://doi.org/10.1186/s12889-018-5377-x>, 08 March, UWL (H-index = 103)

- 2018 Evaluation of Community Perspectives on National Health Insurance Policy to Health Service Delivery in Ghana, *Illness, Crisis and Loss*, (DaCosta, Jane South and Hafiz T.A. Khan), 15 January, UWL (H-index = 9)
- 2018 Effect of early sexual debut on high school completion in South Africa, *Journal of Biosocial Science* 50(1): 124-143 (Annah Bengesai, Hafiz T.A. Khan and Russell Dube), <https://doi.org/10.1017/S0021932017000104> (H-index = 46)
- 2018 The association between sexual behaviours and initiation of post-secondary education in South Africa, *Journal of Biosocial Science*, (Annah V. Bengesai, Hafiz T.A. Khan and Russell Dube), Published online: 21 January 2018, UWL (H-index = 46)
- 2017 Nexus between demographic change and elderly care need in Gulf Cooperation Council (GCC) Countries: Some policy implications, *Ageing International* 42(4): 466-487, open access, December (Hafiz T.A. Khan, Shereen Hossein and John Deane), August, UWL (H-index = 15)
- 2017 Factors influencing the initiation of smokeless tobacco consumption among low socioeconomic community in Bangladesh: A Qualitative Investigation. *International Quarterly of Community Health Education* 37(3), September (Md. Shahjahan, Dostoghir Harun, Alauddin Chowdhury, Kapil Ahmed & Hafiz T.A. Khan). UWL (H-index = 13)
- 2017 Urban-rural differences in disability-free life expectancy in Bangladesh using the 2010 HIES data, *Plos One*, 12(7): e0179987. <https://doi.org/10.1371/journal.pone.0179987>, (Md. Shariful Islam, Md. Ismail Tareque, Md. Nazrul Islam Mondal, Ahbab Mohammad Fazle Rabbi, Hafiz T. A. Khan and Sharifa Begum) UWL (H-index = 241)
- 2017 Socio-economic inequalities in health among older adults in two rural sub-districts in India and Bangladesh: A comparative cross-sectional study, *Asian Population Studies* 13(3):292–305. (Mijan Rahman, Hafiz T.A. Khan, Trish Hafford-Letchfield and Ratna Sultana). September, UWL (H-index = 14)
- 2017 Hospital services for ill patients in the middle-belt geopolitical zone, Nigeria: Patient's waiting time and level of satisfaction, Accepted in *Illness, Crisis & Loss* (Ahmed Abdulsalam and Hafiz T.A. Khan). UWL (H-index = 9)
- 2017 Study on the Health Status of Coastal People in Bangladesh after Cyclone Sidr and Aila, *European Scientific Research* 13 (15):10-21 (Russell Kabir and Hafiz T.A. Khan). UWL (H-index = 37)
- 2017 Exploring the relationship of Domestic violence on Health Seeking behavior and Empowerment of Women in Pakistan, *Epidemiology, Biostatistics and Public Health* 4(1):12231 doi: 10.2427/12231 (Nahida Ferdous, Russell Kabir, Hafiz T.A. Khan and MRK Chowdhury). (H-index = 12)
- 2016 Climate change induced natural disasters impact on the health of the coastal people in Bangladesh. *International Journal of Perceptions in Public Health* 1(1):6-8 (Russell Kabir and Hafiz Khan). (H-index = 0)

- 2016 Climate Change Impact: The experience of the coastal areas of Bangladesh affected by Cyclones Sidr and Aila. *Journal of Environmental and Public Health*, <http://dx.doi.org/10.1155/2016/9654753> (Russell Kabir, Hafiz T.A. Khan, Emma Ball, Kay Caldwell), Impact factor = 3.08 (H-index = 23)
- 2016 Exploring the relationship between social support and life satisfaction among rural elderly in Japan, *Ageing International* 41(4):414-426 (Kaori Tsuji and Hafiz T.A. Khan), doi: 10.1007/s12126-016-9254-6 (H-index = 15)
- 2016 Correlates of socioeconomic status and the health of older people in the United Kingdom: A review. *Illness, Crisis and Loss* 24(4):195-216 (Mijanur Rahman, Hafiz T.A. Khan, and Trish, Hafford-Letchfield) doi: 10.1177/1054137315608347 (H-index = 9)
- 2016 Women's Participation in Economic and NGO Activities in Bangladesh: An Empirical Study on the Bangladesh Demography and Health Survey (BDHS), *International Journal of Sociology and Social Policy*, 36(7/8):1-25. (Hafiz T.A. Khan, and Twyefur Rahman), doi: 10.1108/IJSSP-09-2015-0097 (H-index = 20)
- 2016 Identification of Genomic Markers Correlated with Sensitivity in Solid Tumors to Dasatinib Using Sparse Principal Components (Ahmed Hossain and Hafiz T.A. Khan), *Journal of Applied Statistics* 43(14):2538-2549, doi: 10.1080/02664763.2016.1142941, September (H-index = 45)
- 2016 Self-Reported Health Status of Older Adults in Malaysia and Singapore: Evidence from the 2007 Global Ageing Survey. *Applied Research in Quality of Life* 11(3): 687-705 (Hafiz Khan and Matt Flynn), doi: 10.1007/s11482-015-9390-2, September. (H-index = 22)
- 2015 Spatial Pattern of Structural Ageing in Eastern Croatia: Evolution and Explanations, *International Journal of Ageing and Later Life* 9(2):53-78 (Marijan Jukic and Hafiz Khan), doi: 10.3384/ijal.1652-8670.1592. (H-index = 11)
- 2015 Global Population Aging: Unequal Distribution of Risks in Later Life between Developed and Developing Countries. *Global Social Policy* 15(2):146-166 (Masa Higo and Hafiz T.A. Khan), doi: 10.1177/1468018114543157, Online First 28 July 2014 (H-index = 29)
- 2015 Job Satisfaction and Socio-Demographic Nexus: An Examination of Business Link Employees in England, *Journal of Applied Economic Sciences* 10:1213-1225, Winter Issue 8(38) (Shah-Jalal Sarker, Hafiz T.A. Khan, Shahzad Butt), (H-index = 7)
- 2014 Ageing in Post-Industrial Society: Trends and Trajectories. *Journal of Globalization Studies* 5(2): 143-151 (J. L. Powell and Hafiz T.A. Khan), November, ISSN: 2075-8103 (H-index = 0)
- 2014 Climate change and public health situations in coastal areas in Bangladesh, *International Journal of Social Science Studies* 2(3):109-116 (R. Kabir, E. Ball and K. Caldwell), July, doi: 10.11114/ijsss.v2i3.426 (H-index = 0)
- 2014 Development and Application of a Survey Quality Assessment Model - *Global Journal of Quantitative Science* 1(1):15-29, April (Tao, C., Raeside, R. and Hafiz T.A. Khan) (H-index = 0)

- 2014 Insights for Singapore's Re-employment Legislation: Evidence from the Global Ageing Survey (GLAS), *Asian Profile* 42(2):101-122, April issue (Helen Ko and Hafiz T.A. Khan) (H-index = 1)
- 2014 Between Country Variations in Self-Rated-Health and Associations with the Quality of Life of Older People: Evidence from the Global Ageing Survey. *Applied Research in Quality of Life* 9 (4): 923-949 (Hafiz T.A. Khan and R. Raeside), November, (winner of ARQOL Best Article 2014 Award), doi: 10.1007/s11482-013-9278-y (H-index = 22)
- 2014 Population ageing in Bangladesh and its implication on health care. *European Scientific Journal* 9(33):34-47, (R. Kabir, Hafiz T.A. Khan, M. Kabir and M.T. Rahman), November (H-index = 37)
- 2014 Factors associated with intergenerational social support across the world, *Ageing International* 39(4): 289-326 (Hafiz T.A. Khan), December, doi: 10.1007/s12126-013-9191-6 (H-index = 15)

The Research Excellence Framework (REF 2014) for the duration 2008-2014

- 2013 Variations in grandchildren's perceptions of the grandfathers and grandmothers: Dynamics of age and gender, *Journal of Intergenerational Relationships* 11(4): December (Robin Mann, Hafiz T.A. Khan & George W. Leeson), doi: 10.1080/15350770.2013.839326 (H-index = 15)
- 2013 Aging and globalization: A global analysis, *Journal of Globalization Studies* 4(1): 150-159 (Jason L. Powell and Hafiz T.A. Khan) (H-index = 0)
- 2013 Attitudes Towards Bearing the Cost of Care in Later Life Across the World. *Illness, Crisis and Loss* 21(1):49-69 (Hafiz T.A. Khan, G.W. Leeson and H. Findlay), doi: 10.2190/IL.21.1.e (H-index = 9)
- 2013 Effectiveness of the Microcredit Programme in Bangladesh. *Local Economy* 28(1):85-98, February, (M.T. Rahman and Hafiz T.A. Khan), doi: 10.1177/0269094212466036 (H-index = 30)
- 2013 Utilization of Antenatal care among pregnant women of Urban Slums of Dhaka City, Bangladesh, (Russell Kabir and Hafiz T.A. Khan), *IOSR Journal of Nursing and Health Sciences* 2(2):15-19, doi: 10.9790/1959-0221519 (H-index = 0)
- 2012 Foucault, Social Theory and Social Work. *Romanian Journal of Sociology* 9(1):131-147 (J. Powell and Hafiz T.A. Khan). ISSN 1220 – 5389, <http://www.arsociologie.ro/en/archives/360-powell-1-2012> (H-index = 0)

- 2021 Elderly care in humanitarian crisis: Issues and Challenges, 1st International Elderly Care Workshop, 18-19 June, Turkey.

- 2021 Likely post-Covid-19 challenges for older people, symposium on Ageing People and Society, organised by Turkish National Committee for UNESCO, 22 March, Turkey.
- 2021 Population ageing in a globalised world: Risks and dilemmas. NSU Global Health Research talk in Bangladesh on 30th January.
- 2020 Death risk of COVID-19 in older people: A global perspective. (Hafiz Khan and Vivek Verma). 9th Social Gerontology Symposium in Antalya, Turkey, 21 November
- 2020 Overview of mortality risk of COVID-19 in older people: global perspective. (Hafiz Khan) In: The effect of COVID-19 on the health and care management of older adults in West-Africa, 3-4 June, Nigeria
- 2020 Developing the digital business readiness assessment framework (DBRAF) for fashion retail SMEs in Lagos, Nigeria. (Umeh, Francisca, Tan, Chekfoung, Pan, Yu-Chun and Khan, Hafiz T.A. . In: 25th UK Academy for Information Systems International Conference (UKAIS 2020), 29 April, Oxford, UK
- 2020 Population ageing in a globalised world: An unequal risk in later life, public seminar at PHWT: A Private University in Bremen, Germany, 6 March. https://www.phwt.de/startseite/aktuelles/artikel/news/britischer-forscher-haelt-vortrag-an-der-phwt/?tx_news_pi1%5Bcontroller%5D=News&tx_news_pi1%5Baction%5D=detail&cHash=48e6967dd1287681be3a55262da1aa70
- 2019 Older consumers in an ageing society. Keynote speaker at the 5th International Conference on Economic Sciences and Business Administration (ICESBA 2019): The Future of Business, 15-16 November, Bucharest, Romania. <https://icesba.eu/>
- 2019 Elderly Persons in Humanitarian Emergencies in Bangladesh: Qualitative Experiment on Dreams and Reality. Paper presented at International Conference on the Rohingya Crisis in Comparative Perspective, 4-5 July 2019, UCL. Khan, Hafiz, Rahman, Mohammed Arifur, Molla, Morshed Hossan and Shahjahan, Mohammad.
- 2019 Financial preparedness in later life: An investigation of Hong Kong and the UK employees survey, International Symposium on the Application of Big Data in Social Security, Centre for Social Security Studies, Wuhan University, China, 1st June.
- 2019 The unequal distribution of risks and opportunities in later life. Department of Population Studies, University of Botswana, 28 March.
- 2019 Understanding population ageing in Bangladesh and Nigeria: SITAKUNDA model vs HEPIQ-C model. In: Hilary Term, Seminar Series Ageing Populations: from Cell to Society, 8 February, Oxford Institute of Population Ageing, University of Oxford, UK.

- 2018 Women living alone in British Households in Later Life: Health and Well-Being Issues. Paper presented at the 8th International Social & Applied Gerontology Symposium held in Antalya, Turkey 22-25 October.
- 2018 Geriatric Care Needs in Bangladesh. Hamdard University Bangladesh, 11th August.
- 2018 Dementia across the world. Organised jointly Alzheimer's Society of Bangladesh & PKSF, 15 July, Dhaka, Bangladesh
- 2018 Population Ageing in a Globalised World: Risks and Dilemmas. Professorial lecture at University of West London, 30 May.
- 2018 The demography of dementia across the world, Alzheimer's Society of Bangladesh, 6 January, Dhaka, Bangladesh.
- 2017 Conference speaker: Healthcare workforce caring for older adults across the world. 2nd Brazilian Congress on Gerontechnology, 16-18 November.
<http://www.cbgerontec.com.br/palestrantes/>
- 2017 Global population ageing and Unequal risk of challenges. A seminar was given at the Department of Economics, University of Sao Paulo, Ribeirao Preto, Brazil.
- 2017 Loneliness in British Households: An analysis of health and wellbeing, public seminar at Tokyo Metropolitan Institute of Gerontology, 31 August.
- 2017 An unequal distribution of risks in later life. Seminar at Garrison Institute on Ageing, Texas Tech University, 17 January. <https://www.ttuhsu.edu/centers/aging/researchseminar.aspx>
- 2017 Health and wellbeing of single women in British Households. Applied Demography Conference held at San Antonio in Texas, 11-13 January, Organised by University of Texas. <https://www.understandingsociety.ac.uk/research/publications/524139>
- 2016 Impact of demographic research on changing policies in Commonwealth Countries. Panel discussion at Royal Overseas League, London, 27 October, Organised by the UK Commonwealth Scholarship Commission.
- 2016 The Demography of Ageing in Japan. Europe-Japan Study Centre, Oxford Brookes University, 12 October.

- 2015 The key research issues arising from an ageing workforce, Keynote speech at International Conference on Economic Sciences and Business Administration, 20-21 November 2015, Bucharest, Romania.
- 2015 *Job satisfaction and socio-demographic nexus: an examination of Business Link employees in England*, 2nd ICESBA conference, 20-21 November (Shah-Jalal Sarker, Hafiz Khan, and Shahzad Butt).
- 2015 Global population ageing: An unequal distribution of risks in later life. The Research and Innovation Centre, The University of Malaya, Kuala Lumpur, Malaysia, 31st July.
- 2015 How would you finance your later life: *An investigation of Hong Kong and the UK employees surveys?* Paper presented at the 3rd Asian Population Association conference in Kuala Lumpur, Malaysia, 27-30 July.
- 2015 Association between socioeconomic status and health of older adults in rural Bangladesh and India: A comparative cross-sectional study. Poster presented at the 3rd Asian Population Association conference in Kuala Lumpur, Malaysia, 27-30 July.
- 2015 Changes family structures, living arrangements, and care support for the elderly in Gulf Cooperation Council (GCC) countries: Some policy implications. Paper presented at the first DIFI conference on The Arab family in an Age of Transition: Challenges and Resilience, Qatar Foundation, Doha, 3-4 May.
- 2015 Population Ageing: An unequal distribution of risks in later life. College of Health Sciences, Kuwait University, 31st March.
- 2014 Going solo: investigating the trajectories of non-partnered women without children in later life, poster presented at the 43rd British Society of Gerontology (BSG), 1-3 September at the University of Southampton.
- 2014 Presentation on “Global Ageing: Causes and Consequences”. Institute of Population Studies, Hacettepe University in Ankara, 19 February.
- 2013 Presentation on “Dynamics Socio-demographic Changes in the GCC Countries. MINA workshop organised by Institute for Social Policy, University of Bath, 3 December.
- 2013 Presentation on “Demographic Changes and Future Challenges for the Gulf Cooperation Council (GCC) Countries. Symposium organised jointly by the John Smith Trust and the OxGAPS, University of Oxford, 16 November.
- 2013 Presentation on “Ageing and Social Protection for Elderly in Bangladesh”, UKaid office, Dhaka, Bangladesh 29th August.
- 2013 Seminar speaker on “Global Ageing and Need for Elderly Care in Bangladesh”, organised by Young Power Social Action (YPSA), Chittagong, Bangladesh, 27th August.

- 2013 Seminar speaker on “The Power of Ageing across the world”, organised by Department of Statistics, Shahjalal University of Science and Technology, Sylhet, Bangladesh, 25th August.
- 2013 Guest Speaker on “The Power of Global Ageing: Challenges, Opportunities and Implications”, organised by Department of Statistics, Comilla University, Bangladesh, 22nd August.
- 2013 Guest speaker on “Workshop on statistical research methodology”, organised by Department of Statistics, Comilla University, Bangladesh, 21st August.
- 2013 Seminar on “Research process for PhD and Article publication” was organised by Faculty of Business, Daffodil International University, Bangladesh, 18th August.
- 2013 Seminar on “Population ageing across the world: challenges, opportunities and implications” organised by Public Health Department, Daffodil International University, Bangladesh, 17th August.
- 2012 Understanding intergenerational support across the world, International conference jointly organised with the Bangladesh Bureau of Statistics annual meeting at the University of Dhaka, 27-29 December.
- 2012 Attitudes to old age and retirement age: A cross-country comparison, ICCS12 conference held at Qatar University 19-22 December.
- 2012 Dynamics of socio-demographic changes in the GCC countries, ICCS12 conference held at Qatar University 19-22 December.
- 2012 Long-term care needs in Arab world, ICCS12 conference held at Qatar University 19-22 December.
- 2011 Intergenerational relationship across the world, Departmental seminar, Middlesex University, 28 June.
- 2010 Attitudes Towards Old Age and Retirement Age Across the World: Findings from the Global Ageing Survey, The First International Conference on Statistics at Dhaka University 26-28 December.
- 2010 Intergenerational Relationship in Asia and Europe. Paper presented at “Changing Intergenerational Relationships as Europe and Asia Age” Workshop organised at University of Oxford, 9-10 December.
- 2010 Attitudes Towards Old Age and Age of Retirement across the World. Invited speaker at Elders Conference organised at Middlesex University in London, 1st July.
- 2010 Re-employment of Older Workers in Singapore: Preliminary Insights. Paper Presented by Helen Ko at the 4th Symposium on Work Ability: Age Management during the Life Course, Tampere, Finland (June 2010), (Ko H and Khan HTA).
- 2009 Population Ageing and its Impacts on Socio-Economy across the World. Seminar at the College of Commerce & Economics, Sultan Qaboos University, Oman, 28th December.

- 2009 The Effect of Self-Rated-Health (SRH) on the Quality of Life (QoL) of Older Adults across the World. Paper presented at the 10th Islamic Countries Conference on Statistical Sciences held at the American University in Cairo, December 20-23.
- 2009 Attitudes Towards Old Age and the Age of Retirement Across the World. Edinburgh Napier University Business School Seminar Series, 05 November, Scotland.
- 2009 Determinants of Self Appraisal of Health Status Among Older Adults in Malaysia and Singapore: Findings from the Future of Retirement Survey 2007'. Paper presented at the 25th ASEASUK Conference 11-13 September, Swansea University, UK.
- 2009 Differences in Age of Retirement Across the World. Paper presented at the MUBS Interdisciplinary conference held at Hendon Campus, Middlesex University, London, 20th May.
- 2009 Managing Chronic Illness at Work: An Exploratory Investigation on the UK Employees. Paper presented at the 14th International conference of the APPAC (Association of Psychology & Psychiatry for Adults & Children) held at Athens, May 5-8.
- 2008 Attitudes Towards Bearing the Cost of Care in Later Life: Evidence from a global survey Invited speaker at the Radical Statistics Annual Conference held in Edinburgh, 1 March.
- 2007 Factors Affecting Intergenerational Financial, help and care transfers: *Evidence from a global ageing survey*, Paper presented at the NSC-IIAS conference entitled "Public and private old-age security arrangements in Asia and Europe", 5-7 September, Den-Haag, the Netherlands (Leeson, GW & Khan, H.T.A)
- 2005 Is Ageing an Emerging Demographic Issue in Bangladesh? Paper presented at the Oxford Institute of Ageing, 27 October.
- 2005 Determinants of Health Status of the Elderly in Bangladesh. Paper presented at an international conference on Mainstreaming ageing in health systems and rural development, November 28-30 (with I.M. Shafiqul Kalam)
- 2004 The Ageing Scottish Population. Paper presented at the Canadian Population Society annual conference held at the University of Dalhousie, Halifax, June 1-5, 2003 (with R. Raeside)
- 2003 Maternal Mortality in Bangladesh: Levels, Trends and Differentials. Paper presented at Maternity Hospital, Aberdeen, UK on 13 September.
- 2002 A Comparative Analysis of the Accuracy of the United Nations' Population Projections for Six Southeast Asian Countries. Napier University, Employment Research Institute Seminar, 11th December.
- 1999 Modelling Contraceptive Prevalence and Adopting Family Planning Services in Bangladesh: A Hierarchical Approach (with E M N Kalam). Paper presented at the Sixth Islamic Society of Statistical Sciences (ISOSS) conference held at the University of the Punjab, Lahore, Pakistan, 27-31 August 1999.

- 1996 The Use of Neural Nets in Demographic Survey Analysis. Paper presented to the British Society for Population Studies conference held at St. Andrew during 2-5 September (with R Raeside)
- 1995 *Factors Influencing the Probability of Birth in Urban and Rural Bangladesh*. Paper presented to the Third International Congress on Industrial and Applied Mathematics conference held at Hamburg, Germany during 3-7 July (with R Raeside)
- 1995 *Determinants of Fertility in Bangladesh*, Poster presented at the Postgraduate Research Students annual conference held at Napier University, August
- 1995 *A Multilevel Modelling Approach to the Determinants of Urban and Rural Fertility Rates in Bangladesh*. Paper presented to the British Society for Population Studies annual conference held at Brighton, UK during 30 August-1 September
- 1995 *Rural-Urban Fertility Differences in Bangladesh*. Paper presented at Development Studies Association Scotland study group one day conference at University of Paisley, UK. 11 November
- 1994 *A Comparative Analysis of Fertility in Bangladesh*, Poster presented at an International Conference of the Royal Statistical Society held at the University of Newcastle during 14-16 September (with R Raeside)

PhD / MPhil successfully supervised to completion:

- *Adult Numeracy and the Conversion to the Euro in Slovak Republic*, Jana Kubascikova-Mullen (Completed and received PhD in July, 2013) (Director of Studies)
- *The Impacts of Cyclones Sidr and Aila on the Health of the Coastal People of Bangladesh*, Russell Kabir (Defended PhD viva on 16 December, 2014) (Director of Studies)
- *Digital Business Readiness Assessment Framework for Retail SMEs in Lagos, Nigeria*. Umeh Francisca, start September 2017 – 23rd September 2020 (viva), accepted revised version on 14 March 2021, (3rd supervisor)
- *Understanding the health and well-being of older women living alone in the UK*. Catherine Forward. Start September 2017, 20 May 2021 (viva), accepted revised version on 01 July 2021 (Principal Supervisor).
- *The impact of obesity on health and social care needs among older adults (50+) in England*. Gargi Ghosh, start date January 2018, 15 July 2021 (viva), accepted revised version on 11 October 2021 (Principal Supervisor)
- *Nexus between Microcredit and Health: An exploratory analysis of Bangladesh Demographic and Health Survey*. Md. Moinul Islam (Defended successfully MPhil thesis viva on 23 September, 2019) (Supervisor)

- *Complementary Feeding Pattern and Socio-demographic Factors Associated with Under-five Child Malnutrition in Bangladesh*, MPhil thesis (Rocky Khan Chowdhury, CSC ID: BDCN-2019-236, Commonwealth Scholar from Bangladesh); Start: November 2019-Nov 2020.

Current PhD Students:

- The relationship between postpartum care utilisation and postpartum morbidity in Morocco. (Asmaa Habib), start date September 2019 (**Hafiz Khan** and Caroline Lafarge)
- Assessing the knowledge, attitude and practice of sexual and reproductive health behavior of the university students in Bangladesh (Iftekhar Md. Shafiqul Kalam), Start: October 2020 (**Hafiz Khan** and Minakshi Bhardwaj)
- Understanding Multimorbidity of Older Adults in Niger State North Central Nigeria, (Ahmed Abdulsalam), Start: October 2020 (**Hafiz Khan** and Muili Lawal)
- The lived experience of caregivers in Nigeria: The burden, challenges and support for healthy ageing practices (Barbara Jika), Start: October 2020 (**Hafiz Khan** and Muili Lawal)
- Investigating the role of intermediate care and its impact on the functional health of older persons with stroke in Southwest Nigeria (Temitope Hannah Farombi), start: October 2020 (**Hafiz Khan** and Muili Lawal)
- The Gender Pay Gap in the Banking Industry and Financial Services in the European Union (Enva Doda), Start: April 2020, (Javad Izadi and Hafiz Khan)
- Self-care management among adults with type 2 diabetes in Ealing Borough, England, (Akua Yirekyi), Start: March 2020, (Muili Lawal and Hafiz Khan)
- Dietary, modifiable lifestyle factors and the risk of the onset of type 2 diabetes and heart disease in middle-aged and older adults: a twelve years longitudinal study among BME individuals living in England (Arif Ahmed), Start: October 2020 (Amalia Tsiami and Hafiz Khan)

MENTORSHIP ROLE:

- Farah Naz Rahman, Farah Naz Rahman came to UWL in October 2019 as a British Council Charles Wallace visiting fellowship 2019-2020 and worked with my supervision in ageing in Bangladesh.
- Mohammad Rocky Khan Chowdhury, came to UWL as Commonwealth Split-Site Scholar and worked under my supervision during Monday 18th November 2019. End date: - 17th November 2020.

EXTERNAL PHD / MPhil EXAMINING:

- External PhD examiner, Thesis title: “Family caregivers experiences on ethnic disparities in quality of care received by dementia patients from GPs”, (Zainab Al-Attabi), Anglia Ruskin University in the UK, 30 June 2021.

- External examiner for Doctor of Enterprise, Thesis title: “Social Enterprise Start-Up Support Interventions: A Realist-Informed Investigation”, (Philip James Clegg), Huddersfield University, 23 June 2021.
- External PhD examiner in Statistics, Thesis title: “Modeling Count Data with geometric distribution with application for analyzing first antenatal care visit”, (Zainab Al Balushi), Sultan Qaboos University in Oman, 5 May 2021.
- External PhD examiner in Public Health, Thesis title: “An Exploration of the Cardiac Rehabilitation Needs of Pakistani Heart Failure Patients and their Caregivers – A Qualitative Study”, (Rifat Sharif), Birmingham City University, 31 July 2020.
- External PhD examiner in Public Health, Thesis title: “Glycaemic Control, Complications, and Well-Being among people with Type 2 Diabetes in Saudi Arabia”, (Mohammed Jassim A. Alramadan), Monash University in Australia, 24 February 2020.
- External PhD examiner in Statistics, Thesis title: “Statistical inference with paired observations and independent observations on two samples”, (Ben Derrick), University of the West of England, 12th February 2020.
- External PhD examiner in Nursing Education, Thesis title: “Investigation of Undergraduate Nursing Students’ Readiness to Practice in the UAE”, (Mohamed Al Mekkawi), The British University in Dubai, 5th May 2019.
- External PhD examiner in Population Studies, Thesis title: “Socioeconomic Inequalities in Health: Chronic Disease Prevalence, Health Care Utilization, Health Expenditure and Life Course Perspective in Botswana”, (Mpho Keetile), University of Botswana, 29 March 2019.
- External PhD examiner in Statistics, Thesis title: “A data-driven statistical approach to customer behaviour analysis and modelling in online freemium games”, (Anusua Singh Roy), Edinburgh Napier University, UK, 25 February 2019.
- External MPhil examiner in Statistics, Thesis title: “Mining and monetisation of data on health and social care interventions”, (Sophie Whitfield), University of Newcastle, UK, 12 March 2018.
- External PhD examiner in Finance and Risk, Thesis title: “Essays in Corporate Finance”, (Syed Ehsan Mahmud), University of Nottingham, UK, 15 December 2017.
- External PhD examiner in Dementia, Thesis title: “Understanding Dementia among the Bangladeshi Community in England”, (Muhammad Zakir Hussain), School of Health Sciences and Social Work, University of Portsmouth, UK, November 2017.
- External PhD examiner in Public Health, Thesis title: “Predicting Cardiac Surgery Outcome in an Australian Patient Cohort” (Md Nazmul Karim), School of Public Health and Preventive Medicine, Monash University, Australia, May, 2017.

- External PhD examiner in Management Sciences, Thesis title: “Individual Personality Factors as Drivers of Electronic and Mobile – Shopping Acceptance in the UAE & Malaysia” (Mohamed Otaq), Management and Science University (MSU), Malaysia, March, 2016.
- External PhD examiner in Statistics, Thesis title: “Deconstructing concepts of student of satisfaction, engagement and participation in UK higher education: An empirical analysis using cross-sectional and longitudinal data” (Shakil Ghor), School of Science and Technology, Oxford Brookes University, UK, 2016.
- External PhD examiner in HRM, Thesis title: “*An analysis of HP and Other managers’ perceptions of the effectiveness of strategic management tools among Saudi firm.* (Ameen Alharbi), School of Environment and Development (IDPM), The University of Manchester, UK, 23 May 2014.
- External PhD examiner in Applied Statistics, Thesis title: “*Non-parametric computing risks with multivariate frailty models*”, (Emad Masuadi), School of Science and Technology, Oxford Brookes University, UK, 10 April 2013.
- External examiner in MPhil by Research, Thesis title: “*The Relationship between Health and Work based Training: Insights from a statistical analysis of the Labour Force Survey*”, (Ranya Ali), Employment Research Institute, The Business School, Edinburgh Napier University, UK, 28 November 2012.
- External PhD examiner in Development Studies, Thesis title: “*Dynamics of Urban Poverty in Bangladesh*”, (Mohammed Abu-Eusuf), School of Environment and Development (IDPM), The University of Manchester, UK, 31 October 2012.
- External PhD examiner in Statistics, Thesis title: “*Study on Women’s Nutrition, Breastfeeding and Reproductive Behaviour in Bangladesh*”, (Md. Shahjahan Mazumder), Shahjalal University of Science and Technology, Bangladesh, 27 August 2012.
- External PhD examiner in Statistics, Thesis entitled “*The Development of a Holistic and Quantitative Tool for the Assessment and Improvement of Survey Quality*”, (Tao Chen), Edinburgh Napier University, UK, March 2011.
- External DPhil examiner in Gerontology/Demography, Thesis entitled “*Reinforcement of Income Inequality in Later Life*”, (Chul-Hoi Koo), Oxford Institute of Population Ageing, The University of Oxford, UK, June, 2010.
- External MPhil examiner in Statistics, Thesis entitled “*Early Versus Traditional Postoperative Nutritional Provision in Gastrointestinal Resectional Surgery Patients: A Meta-Analysis*”, (Emma Jane Osland), Department of Mathematics and Computing, University of Southern Queensland, Australia, 2009.
- External MPhil examiner in International Development, Thesis entitled “*Negotiating New Vulnerabilities: The Impact of Economic Liberalisation on the Elderly Bengali Urban Middle-Class in Kolkata, India*”, (Diya Dutta), Department of International Development, Queen Elizabeth House, University of Oxford, UK, 2007.

INTERNAL PHD EXAMINING:

- Internal PhD examiner for Sherine Kwok, Thesis title: *“Exploring the Non-Complaining Intention and Behaviour of Dissatisfied Customers: An Extended Reasoned Action Approach”*, University of West London, 9 August 2021
- Internal PhD examiner for Anna Korzhenskaya, Thesis title: *“The role of credit ratings in determining capital structure: An empirical analysis of UK Non-financial firms”*, Middlesex University Business School, 24 April, 2014
- Internal PhD examiner for Vikram Finavker, Thesis title: *“The effects of derivatives on firm financial risk: An analysis of UK non-financial firms.”*, Middlesex University Business School, 03 September, 2014

RESEARCH CONSULTANCY:

- Visiting consultant (24-29 December 2009) in the Department of Operations Management & Business Statistics, College of Commerce and Economics, Sultan Qaboos University, Oman
Project: Population Projection and its impact economic development in Oman
- Consultant (August 2014-15) in the Department of Public Health, Daffodil International University, Dhaka, Bangladesh
Project: Smokeless tobacco practice in Bangladeshi households.
- Visiting consultant (December 2019) in the Department of Public Health, Daffodil International University, Bangladesh. Worked with Md. Shahjahan on project: Choice of Delivery place among mothers living in rural area of Bangladesh.

PROFESSIONAL TRAINING:

- Successfully completed a training course on “General Data Protection Regulation - GDPR” on 15th September 2019 organised by Human Resources, The University of West London, UK.
- Attended a training session on “Assessment Board Chairs Information and Quality Standards for Higher Education in the UK” on 7th May 2019 organised by Quality Office, The University of West London, UK.
- Successfully completed Professional Development Course for External Examiners Online April-June 2018, The Higher Education Academy, UK
- Attended a half day workshop on “Feedback Skills for Managers”, organised by HR, University of West London, 11 June 2018.
- Successfully completed NIH Web-based training course "Protecting Human Research Participants". Course duration: 15 November 2017.
<https://phrp.nihtraining.com/users/login.php?l=3>

- Academic visitor at Tokyo Metropolitan Institute of Gerontology, Tokyo, Japan. Course duration: 28 August – 2nd September, 2017.
- Successfully completed Interprofessional Education (IPE) training workshop at University of Gunma, Japan. Course duration: 21-26 August, 2017.
- Successfully completed National Institute for Health Research (NIHR) on Ethics: Introduction to Good Clinical Practice (GCP) at www.bcu.ac.uk. Course duration: 31 March 2017.
- Successfully completed an online short course on Understanding Dementia developed by Wicking Dementia Research and Education Centre of the University of Tasmania, Australia (mooc.utas.edu.au). Course duration: 01 September-29 October 2016.
- Successfully completed an online short course on Preventing Dementia developed by Wicking Dementia Research and Education Centre of the University of Tasmania, Australia (mooc.utas.edu.au). Course duration: 12 July – 22 August 2016.
- Participated a training session on “Governor Training and Development Programme 2016/17”, organised by Oxford Health NHS Foundation Trust, 20 July 2016
- Attended a training workshop on “Chairing Assessment Board?”, organised by Middlesex University London, 18 May 2016
- Attended a half day workshop on “What is Impact?”, organised by RKTO, Middlesex University London, 9 May 2016
- Attended a staff development training session on “Essentials of the Recruitment & Selection Process”, organised by Human Resources, Middlesex University London, 12 January 2016
- Attended a day-long training session on “Introduction to Health Economic Evaluation”, organised by Health Economics Research Centre, Nuffield Department of Population Health, University of Oxford, 16 October 2015
- Successfully completed a training session on “Chairing PhD Viva Examination”, organised by RKTO, Middlesex University London, 4 February 2015
- Attended a Higher Education Academy workshop on e-Assessment in the Mathematical Sciences: Finding the Formula for Success, organised by Middlesex University, Hendon Campus, London, 9 April 2014
- Participated a data analysis software training session on “Gretl” organised by Middlesex University Business School, London, UK, 10-11 September 2013
- Participated a training session on “Understanding Pupil Data” organised by Oxfordshire County Council, UK, 13 October 2011

- Attended Oxford City Council “Social Media Conference” held at Oxford Town Hall, 22nd September, 2011
- Participated The Royal Statistical Society (RSS) medical section meeting on *Multivariate Meta-Analysis*, London, 26th January, 2010
- Visiting Academic Fellow at Edinburgh Napier University Business School, Scotland, UK, 2-6 November 2009
- Visiting Researcher at the Gerontology Institute, The University of Tokyo, Japan, 3-8 August 2009
- Attended a daylong conference on “Fixed-term Employment in Social Science Research: New Directions in the Research Economy” held at Oxford University 13 May, 2009
- Attended 3rd World Congress of the A.P.P.A.C. (Association of Psychology & Psychiatry for Adults & Children), held at Athens May 5-8, 2009
- Attended a two days international workshop on “Environmental Change and Displacement: Assessing the evidence and developing norms for response”, organised by Refugee Studies Centre & International Migration Institute, University of Oxford, 8-9 January, 2009
- Successfully completed a professional training designed for social scientists on “The Organisational Environment” and “Social Science Practice”. Michaelmas Term Lecture Series, organised by Saïd Business School, University of Oxford, 28 October-4th December, 2008
- Attended a training session on “Career Pathfinder for Research Staff” organised by Oxford University Careers Service, 22 September, 2008
- Successfully completed “the course preparing for OFSTED” for Oxfordshire School Governors, September, 2008
- Successfully completed “Community Cohesion” training for Oxfordshire School Governors, September, 2008
- Attended a training session on “Performance Management: What Governors need to know and do?” organised by the Oxfordshire County Council, 23 July, 2008, Cricket Road Centre, Oxford
- Successfully completed “induction” training for Oxfordshire School Governors, March-2008
- Attended RAND Summer Institute’s two consecutive workshops one on Mini-Medical School for Social Scientists 11-12 July and the other on Demography, Economics and Epidemiology of Ageing 13-14 July 2007, Santa Monica, USA
- Attended ESRC Spring School on ‘Multilevel Modelling’ organized by Department of Politics and International Relations, University of Oxford, 30 March 2007. This course was offered by Dr. Frank V. Tubergen, Department of Sociology, Utrecht University

- Attended ESRC Spring School on ‘Introduction to Structural Equation Modelling’ organized by Department of Politics and International Relations, University of Oxford, 29-30 March 2006. This course was offered by Professor John Fox, Department of Sociology, McMaster University, Canada
- Attended high-level training workshop on ‘Methodological Issues in Family and Migration Research’ organized by Asian MetaCentre for Population and Sustainable Development Analysis at Asia Research Institute, National University of Singapore, 19-26 April 2001. This course was led jointly by Dr. Khoo Siew Ean, Demography Program, Australian National University, Australia; and Mr. Johannes Pflegerl, Austrian Institute for Family Studies, Austria
- Attended high-level training workshop on ‘New Approaches and Methods of Population Forecasting’ organized by Asian MetaCentre for Population and Sustainable Development Analysis at Asia Research Institute, National University of Singapore, March 5-16, 2001. This course was led by Dr. Sergei, Scherbov, University of Groningen, The Netherlands
- Attended high-level training workshop of Asian MetaCentre for Population and Sustainable Development Analysis at the College of Population Studies, Chulalongkorn University, Bangkok, Thailand, November 13-24, 2000. This course was offered by Professor Warren Sanderson, Population Project, International Institute for Applied Systems Analysis (IIASA), Laxenburg, Austria
- Participated in a SPlus computer course at the 1994 International Research Conference on *Lifetime Data Models in Reliability and Survival Analysis* held at Harvard University, Cambridge, Massachusetts, June 15-17. This course was offered by Dr. Alan Zaslavsky, Department of Statistics, Harvard University, Cambridge, Massachusetts, USA
- Completed Royal Statistical Society (RSS) 1994 short course on *An Introduction to Smoothing Techniques for Data Analysis* at the University of Newcastle, UK during 12-13 September 1994. Course jointly offered by Professor Dr. Adrian Bowman of Glasgow University, UK and Professor Dr. Adelchi Azzalini of Padua University, Italy
- Attended workshop on *Basic Bootstraps* at Napier University on 15 February 1995 offered by Professor Dr. Gillian Raab, Professor of Applied Statistics, Napier University, Edinburgh, UK

OTHER EXPERIENCE:

- Workshop Facilitator for “Research Ethics in Public Health” organised by the Faculty of Public Health, UK, 21st June, 2017
- Lead Birmingham City University team for recruiting students at BCIE event in Lagos, Nigeria, 20th May, 2017
- Affiliated Member, Social Policy Research Centre, Middlesex University, UK (November 2013 - May 2016)

- Trainer, COST Action IS1311 – INTERFASOL, Training school at Keele University, UK, 11-15 May 2015
- Public Lecturer on Higher Education in the UK, Career Development Centre, Daffodil International University, Dhaka, Bangladesh, 10 August, 2014
- Tutor, The Oxford Spring School in Demography, OIPA, University of Oxford, 28 April – 1 May, 2014
- Seminar on population Ageing across the world, Department of Public Health, Daffodil International University, Dhaka, Bangladesh, 17 August, 2013
- Trustee, Sir William Beveridge Foundation, London, UK, (15 Oct 2009 to 17 Dec 2013)
- Trustee, Majlish Homecare Services, London, UK (15 October 2009 – 17 Dec 2013)
- Visiting Research Member, Exeter College, University of Oxford, Oxford, UK, (April 2006 – December 2008)
- Guest Lectures on “Impacts of population ageing on Socio-economic situations: A global perspective” at the Faculty of Arts and Social Sciences, Qatar University, Doha 20 December 2012
- Invited Speaker at the ICC12 Conference held at Qatar University, Doha, 20 December 2012
- Guest Lectures on “Quantitative Methods in Business Research” at the American International University in Bangladesh (AIUB), Dhaka, 28 July 2012
- Worked as Community & Local Authority Governor, The Cherwell School, Oxford, UK (09 November, 2009 to 08 November 2013), <http://www.cherwell.oxon.sch.uk>
- Advisor, The Britannia University, Comilla, Bangladesh (July 2012- 15 July 2013)
- Worked as Local Authority Governor, St. Nicholas’ Primary School, Marston, Oxford, UK (January 2008 to January 2012), <http://www.st-nicholas-oxf.oxon.sch.uk>
- Worked as Trustee at Oxfordshire Community and Voluntary Action (OCVA) (2009-2011), <http://www.oxnet.org.uk>
- Guest Lectures on “The Academic Programmes of Middlesex University in London” and “Our Responsibility to the Aged People in Bangladesh” at the Asa University Bangladesh, 13 January 2011
- APPRA Co-ordinator, Asia-Pacific Population Research in Ageing (APPRA), Oxford Institute of Population Ageing, University of Oxford, UK (April 2006 to December 2008)
- Organised and chaired an Invited session on “Demography and Population Ageing” at the 10th Islamic Countries Conference on Statistical Sciences held at the American University in Cairo, December 20-23. 2009

- Public Lecture on “Global Ageing Issues” at the University of Putra Malaysia, August 10, 2009
- Public Lecture on “Age of Retirement across the World” at the Tokyo Metropolitan Institute of Gerontology, Tokyo, August 7, 2009
- Chaired a special session on “Work Stress and Occupational Support” at the 14th International conference of the A.P.P.A.C held at Athens, May 5-8, 2009
- Conference organiser, 2009 Radical Statistics Conference and AGM at the Oxford Institute of Population Ageing, University of Oxford, 7 March 2009
- Convenor, OIA seminar series on *Ageing in Asia*, Oxford Institute of Population Ageing, University of Oxford, Hilary Term (January-March), 2008
- Successfully completed a month-long MKOB Community Champions Training programme (29th October – 26th November 2007) organised by Oxford City Council and Partners, UK
- Convenor, OIA seminar series on *Health and Social Surveys*, Oxford Institute of Population Ageing, University of Oxford, Michaelmas Term (October-December), 2006
- Academic Visitor at Population Studies Centre, Department of Sociology, The University of Western Ontario, Canada, July-September 2005
- Successfully completed a job searching workshop in Toronto, Canada, June 4, 2003
- Participated the APN workshop on Asian Families in Transition entitled *Migration and the “Asian Family” in a Globalising World* held in Singapore from 16-18 April, 2001
- Chaired a session “Regional Perspective II” at the IUSSP/APN Meeting on *Age Structural Transitions and Policy Implications* held in Phuket, Thailand, 8-10 November, 2000
- Chaired a session (number 8) at *the Sixth Islamic Countries Conference on Statistical Sciences* held at University of the Punjab, Lahore, Pakistan, 27-31 August 1999
- Chaired a session *Economics and Social Sciences* at the Third International Congress on Industrial and Applied Mathematics Conference held at Hamburg, Germany, 3-7 July 1995
- Gathered experience on collection and data analysis of data in the field of demography and public health
- Attended International Union for the Scientific Study of Population (IUSSP) conference held at Montreal, Canada, 24 August-1 September 1993
- Attended the First International Conference on *Lifetime Data Models in Reliability and Survival Analysis* held at Harvard University, Cambridge, Massachusetts, USA, 15-17 June 1994

- Attended the British Society for Population Studies annual conference held at Brighton, UK during 30 August-1 September, 1995
- Attended an International Conference of the Royal Statistical Society held at the University of Newcastle during 14-16 September, 1994. (with R Raeside)

Visiting / Honorary Positions:

- Visiting Faculty at University of Sao Paulo Brazil, Brazil Ribeirão Preto Medical School 13-23 November 2017
- Visiting position at Federal Ministry of Health in Nigeria, 14-20 May 2017.
- Adjunct Faculty in Public Health, School of Allied Health Science, Daffodil International University, Bangladesh (June 2012 – to date)
- QEH Associate, Department of International Development, Queen Elizabeth House, University of Oxford, UK, (November 2008 to 2010)
- Fall 2004-Spring 2005: Visiting Faculty, BRAC University, Eastern University and Daffodil International University (DIU), Dhaka, Bangladesh
- Spring 2002: Visiting Faculty, Business School at BRAC University, Dhaka, Bangladesh
- October 2002–March 2003: Visiting Faculty, Centre for Mathematics and Statistics, Edinburgh Napier University, Scotland, UK
- Convenor, Spots Committee, University of Dhaka 1997-2000
- Spring 1998-Summer 2000: Visiting Faculty, Department of Computer Science at North South University, Dhaka, Bangladesh
- House Tutor, Kobi Jashim Uddin Hall, University of Dhaka, 1996-2000
- September 1993-June 1996: Temporary part-time Lecturer, Department of Mathematics and Statistics, Edinburgh Napier University, Scotland, UK

MEMBERSHIPS:

- UK Radical Statistics Group (2008-)
- Fellow of the Higher Education Academy, UK (2012-)
- Fellow of Royal Society of Arts, UK (2014-)
